

2.0 Company Environmental Policy Statement

It is the policy of **Brian McCarthy Contractors Ltd** to do all that is reasonably practical to ensure that any negative impact on the environment caused by our activities is minimised and we are committed to the prevention of pollution

It is the intention of our company to comply with all relevant legal requirements with regard to the environment.

All employees, subcontractors and others working on our sites are required to comply with this policy, and all other parts of our Environmental Management System.

Brian McCarthy Contractors Ltd further commits to:-

- Strive to continually improve our Environmental Management System and to increase its effectiveness.
- To set targets for improvement, and to review our performance against these targets.
- To communicate this policy to all of our employees, subcontractors and to make it available to the public.
- To provide sufficient levels of training and resources to allow this policy to be implemented properly.

The Directors and Management of the company insist on the co-operation and commitment from all employees and subcontractors in order to comply with the requirements of the company Environmental Management System.
