

Quantity Surveyor – London

Brian McCarthy Contractors Ltd. are established for over 30 years and our operations cover a wide range of activities, principally in Main Contracting but also in Design / Build and Finance, Industrial, Commercial and Residential Developments.

We currently have a vacancy for a Quantity Surveyor based in our London Office.

The Role:

Reporting to the Contracts Director, the successful candidate will be involved in subcontractor procurement, cost control and analysis, measurement calculations, pricing and invoicing elements of work and will be involved in all aspects of financial and contractual control.

Candidate requirements:

- 3rd level qualification in Quantity Surveying / Construction Management / Civil Engineering or similar
- Min 5 years experience with main contractor or subcontractors, for some of which, time would have been spent in the Greater London area.
- Commercial awareness/ business acumen;
- Good planning and organisation skills;
- Good construction knowledge
- Good interpersonal skills including professional communication skills (verbal & written);
- Team player.
- All successful candidates will need to satisfy pre-employment checks, including providing proof of their right to work in the UK.

This vacancy represents an exciting opportunity for career advancement with a progressive construction company. Brian McCarthy Contractors Ltd. are an equal opportunities employer.

CVs to be forwarded in strictest confidence to Frank Owens, Human Resources Manager, Brian McCarthy Contractors, 14 Greville Street, London, EC1N 8SB or email info@bmccuk.co.uk
